

## 2010 Spring Newsletter

### Dear Fellow Golfer,

Our golf course came through the winter pretty well and we are now open for you to knock the rust off the clubs. Our goal for this season is to continue to be the finest public golf course in Ottawa County as well as being a place to escape for golf, social events, great food, and excellent customer service. NEW for 2010 you can now find us on **FaceBook**, so you can keep up daily on what happening around your golf community (make sure you become a FAN)!

### Leagues Now Forming

Anyone interested in joining a league this season should contact the golf shop as soon as possible. There are openings in the Monday Morning Seniors, Monday WL, OHGC Tuesday Night Ladies, Tuesday Night Signature (formally known as Rack Attack), Wednesday Morning Ladies, Wednesday Lucky Farmers, OHGC Wednesday Men's, and OHGC Friday Couples. Many other leagues are looking for subs. Playing in a league is great way to keep your game up by playing regularly.

### Golf Shop News

Thank you for your continued support in purchasing your golfing needs here at Oak Harbor Golf Club. In 2010 the golf shop will be carrying the latest equipment from Cobra, Titleist, TalyorMade, Ping, along with all the latest apparel from Adidas, Antigua, and FootJoy. Members receive 10% off on all in stock merchandise and make sure to take advantage of FREE professional club fitting with launch monitor.

Cobra Demo Day	Thursday May 13 <sup>th</sup>
TaylorMade Demo Day	Thursday May 13 <sup>th</sup>

### First Tee News

Our Program is going to be held on Thursday's & Fridays this summer and we are looking for interested adults to help as volunteers. We will be holding a volunteer training session in April. Please contact the golf shop for more information.

### Golf Course News

The 2009 is Adopt a Tee program was a huge success and the 2010 version we trust will be as successful. Connie Durdel was last "Green Thumb Award" winner with her efforts on hole #1. The program is for volunteers that take pride in their "green thumb" that wish to help in the beautification of our golf course. This program is for the flower beds around the tees. A few tees remain open for this program.

Are you interested in honoring our fellow friends and family with memorial benches? To sign up or for details about both of these programs please contact Matt.

Monday March 19th is opening day for lunch. We have a new name! And will be offering some old favorites, and a few soon to be new favorites. We again will be serving our Prime Rib & Smothered Chicken Dinners on Friday nights (beginning date to be announced) along with a special each week that will post monthly. We look forward to seeing everyone then.

### “Superintendents Corner”

Welcome to the 2010 golf season at the Oak Harbor Golf Club. I am looking forward to another great year of golf. It looks as if the course came through the winter surprisingly well in spite of all the snow and high winds we had this past, very long winter. Though the snow has been melting at a rapid pace, just pray that the rain keeps to a minimum so we can get the course in tip top shape as soon as possible. The grounds crew and I are really excited about a few projects we are going to start as soon as the weather allows. These projects include, leveling number 11 and 13 teeing area and creating a few new forward tees on holes 2 and 9. These projects will not take overnight to complete, so please be patient with us as we make sure our renovations are absolutely ready for play. Please visit the clubhouse each month for my monthly edition of Superintendents Corner. In which I will discuss, turf facts, common diseases seen in turf for the time of year, and any important course information. Hope to see you all soon!
