

## Fall 2009 Newsletter

It is hard to believe that we are nearing the end of the golf season. Even though people tend to put their clubs away at this time of the year and get ready for a long off-season watching football, we still have some of our best golf ahead. The course is less crowded and the weather is still pleasant. COME OUT AND SEE US!!

Membership Rates did not increase even though our expenses continue to rise. WE will continue to be the best public golf course in Ottawa County along with keeping our membership rates at a value. In order to continue to do this with rising cost we are hoping to have more members in 2010. Let your friends know about the joys of being a member and the opportunities that come with it. **NOTE: Any new member who pays now can play the rest of this year on next years membership. Forms are in the Golf Shop!!**

### Restaurant News WOW!! OPEN FOR FALL. Stuffed FULL OF SPECIAL EVENTS FOR YOU
